Non-attendance of the on-campus orientation does not exempt students from the \$25.00 orientation fee.

Balanoff at hb02@txstate.edu to verify academic course equivalents, room assignments and the specific dates and times for courses offered in the program or on the internet at www.txstate.edu/cpm/. These course selections may be approved for inclusion in both the BAAS and MSIS programs (7 courses for undergraduate credit and 4 courses for graduate credit).

PARKING AT ST. PHILIP'S COLLEGE-MAIN CAMPUS IN SAN ANTONIO - We have begun to see some Texas State students receiving tickets for parking at St. Philip's when attending classes with Texas State. Because we cannot assure all students that they will not receive a ticket without a parking pass, we are urging you to obtain a parking pass if you are taking any type of class at St. Philip's College. You should go to the Sutton Learning Center, where our classes are taught at St. Philip's, and purchase a parking permit. These are inexpensive and will help you to avoid parking tickets. We regret any inconvenience this may cause you, but we believe it will pay off in the long run. The permits should be good for an entire year.

VEHICLE PASSES FOR OFF-CAMPUS - Students **must obtain** a vehicle pass to enter Lackland AFB. Passes for students attending classes at Lackland AFB will be issued the first night of class by the security personnel at the visitor center. Must bring proof of insurance, vehicle registration, and drivers license. Students attending classes on military installations must also carry in their possession a picture identification (Texas State ID). Entry into military installations may be denied for students without proper school identification. In addition, students desiring passes should plan some lead-time (approximately 30 minute wait) for delay that might be incurred at the visitor center.

Students need to be aware that when they register for classes taught on military bases that they will be subject to a background check prior to obtaining approval to enter the military installation
